Charity is a pretty roan with red lineback. Her dam side has the Charity (Butler) line and top bulls El Presidente & Phenomenon. On top she is full of Stockton-bred Big John, M&M Lee and Working Man Chex. She measured 62" TTT on 2/23. Charity is currently exposed to top national sire prospect BWD Bedias Lone Star. The combo of these two exceptionally colored cattle should produce an eye-popping calf.
